Vice-Chancellor hails staff

Mzuzu University Vice-Chancellor Professor Wales Singini has hailed members of staff for their commitment in delivering exceptional services.

Welcoming members of staff into the New Year 2025, Professor Singini said commitment to excellence is key to achieving the goals set out in MZUNI's Strategic Plan (2021 – 2030).

The Vice-Chancellor's call to action in the New Year reflects the University's aspiration for a unified and dynamic team dedicated to fostering an environment of innovation and academic excellence.

Defence Force Commander engages MZUNI students, staff

The Defence Force Commander, Malawi Defence Force, General Paul Valentino Phiri, PhD, has emphasized the critical role of civil-military relations (CMR) in shaping governance and the functioning of democracy.

During a presentation at Mzuzu University on Thursday, the Defence Force Commander engaged with students and discussed various issues including the impact of CMR in democratic societies, the factors that influence these relationships, the military's role in modern conflicts, and global perspectives on CMR.

The event was attended by Deputy Vice-Chancellor Professor Wapulumuka Mulwafu, Deputy Dean of the Faculty of Humanities and Social Sciences Dr. Precious Madula, and members of staff from Department of Governance, Peace and Security Studies.

General Paul Valentino Phiri, PhD
